Dear Parents,

Welcome to our Pre-K 5 class! We are off to a great start to our school year!

Autumn is in the air and we will be observing the beautiful changes in God's world. Our science and art activities will be centered around the fall season. We will be working on letters and numbers. Our class will be working on phonics starting with a general overview of the vowels. Students may bring in pictures of something that starts with the letter of the week. Pictures may be placed in the "Homework Container" in the arrival area. Please do not leave the pictures in the student's back packs. Thank you!

Buzzy Bee is helping us to learn the beatitudes and chooses our leader each class day. Students are being introduced to the Bible with verses on the "Golden Rule", "Be Friendly", "Be Kind" and "Be a Listener" during Living Word Friendship time (our chapel group time). Students are also learning the Pledge of Allegiance.

We will go outside daily as the weather permits. Please dress your child for outside play and label all outer wear.
