Dear Christian Day families,

We are so sad that we will not be able to finish the school year together. We have truly enjoyed getting to know you and your children and consider you part of our family. For those of you who are registered with us for the fall, we look forward to continuing to grow and learn in God's love with you. For those of you who are headed to new schools we wish you a successful year. Please come back and visit us; perhaps even be an alumni guest reader!

There are a few housekeeping items we would like to address:

1. Families who paid March tuition will be receiving a refund for the last two weeks of March. Refund checks will be issued in the next few weeks.
2. At this time, CDCA will continue to prepare for our fall classes. We have been very blessed with high enrollment numbers for fall. Our MWF 4's & 5's classes are currently full with a waiting list. We will continue to accept students on our waiting list. Our T-TH 4's class is full but we do have a few openings in our T-TH 3's class. Registration forms can be downloaded from our website and mailed to the school. **Our website will have updated information this summer regarding schedules, forms and any school start up information. Please email the school if you have any questions about enrollment for fall.**
3. We have many art projects, birthday posters, and papers we would like to return to you. Our hope is that when the "Stay-At-Home" order is lifted we could arrange for a day when families can drive up to the school and pick up a packet of items. If this is safe to arrange, it would be a curbside pick up at school without families getting out of the cars. We will at some point have a few special items to give you as well (diplomas, Bibles, memory books). If we cannot get these items to you now, we will have a time in the fall when pick up will be available.

We know this is a time of great uncertainty. Yet we can be certain that our never changing God is in control. In Him we have a hope and a future! Please know you are loved and in our thoughts and prayers. Please email us at school anytime!

In His Amazing Love,

CDCA Staff
Ephesians 3: 14 - 20
