Dear Parents,

Our curriculum goals this month include our five senses, letters H, I, J, K & L, triangle, number 4 and learning about the first Thanksgiving. We would encourage you to help your child work on printing his/her name and practice cutting skills at home. We are also encouraging practice on putting on their coats and zipping. Our Bible memory verses are listed at the top of this newsletter. We are learning the Pledge of Allegiance and we say it everyday in class.

Parent-teacher phone conferences will be November 12th and there will not be school for students on conference day.

- **Week of November 3 – Letter H**
