

WELCOME TO CHRISTIAN DAY CHILD ACADEMY

2021-22 PARENT ORIENTATION SLIDE SHOW

It is an honor and a privilege to be entrusted with your children
as they grow and learn in God's love.

Thank you.

“Jesus grew in wisdom, and in stature, and in favor with God and man.” Luke 2:52

MISSION STATEMENT

“To glorify God by nurturing the spiritual growth and academic development of children with Biblical truth in a Christ-centered environment.”

Jesus Christ is the foundation of our school. 1 Cor. 3:11

“For this reason I bow my knees to the the Father of our Lord Jesus Christ, from whom the whole family in heaven and earth is named, that He will grant you, according to the riches of His glory, to be strengthened with might through His Spirit in the inner man, that Christ may dwell in your hearts through faith; that you, being rooted and grounded in love, may be able to comprehend with all the saints what is the width and length and depth and height - to know the love of Christ which passes knowledge; that you may be filled with the fullness of God. Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us, to Him be glory in the church by Christ Jesus to all generations, forever and ever. Amen.” Ephesians 3:14-21

DRESSING FOR SUCCESS AT SCHOOL

Our goal At CDCA is to provide a safe and encouraging environment for your child to learn and grow in. Therefore, we discourage our students from wearing clothing themes that can be considered scary. This includes images depicting violence, weapons, skulls, wizards, witches or magic items. School t-shirts will be made available for students to wear if a replacement shirt is necessary.

- **Everyday your child will need:**
 - **A backpack** - name clearly labeled on the front
 - **A complete change of clothing** inside of their backpack
 - **Comfortable play clothes** that
 - Are okay to get dirty - even with paint shirts, artistic masterpieces can end up on clothing
 - Your child can manage independently when using the restroom
 - **Tennis shoes** or other comfortable shoes for playing outside on the playground
 - **Outerwear that is appropriate for the season** - we play outside throughout the Fall and Spring

PLEASE LABEL ALL COATS, HATS, SCARVES & MITTENS WITH YOUR CHILD'S NAME.

Multiple children may own the same type of coat or hat & it isn't uncommon for a child to innocently claim an item they may like as their own. :)

SNACK TIME

Each day a thoughtfully chosen snack will be provided for your child.

- Our goal is to offer **wholesome snacks** free of artificial ingredients, colors, and flavors whenever possible (birthday snacks may be the exception). Your child's snack will contain items from at least two different food groups. While we always encourage our students to try new foods, they do have the option to say "no, thank you" to the snack we are serving. "Alternative" snacks will not be offered.
- Students will have the option to drink either **100% juice or water** along with their snack.
- If your child has a **special dietary need** due to food allergies, sensitivities or family preferences (vegan, for example) we ask that you provide an appropriate snack for them to be served during our snack time.
 - Past families have brought in multiple packages of dietary compliant snacks for their child - providing a variety snack options throughout the week.
 - Packages are labeled with the students name and placed in a special section of our snack cupboard & parents are informed when the supply is getting low.
 - Please note: Licensing requires all snacks to be in their original, nutritionally labeled packaging & snacks with an expired "best by" date cannot be served.

ABSENCES & HEALTH POLICIES

Strict adherence to our health policies is critical during the COVID-19 pandemic. We appreciate your consideration of our CDCA families and staff when making the decision as to whether or not you should send your child to school if they or someone else in your family shows any sign of illness. If you have any further questions*, please refer to the Parent Handbook found on the CDCA website, located [here](#).

- Notify CDCA if your child will be absent - illness, family vacation, appointment, etc.
- If your child is **absent due to illness**, please **let us know as soon as possible**. Licensing requires us to notify all parents of communicable diseases such as strep, pink eye chicken pox, lice...
- **If your child displays any of the following symptoms... they **SHOULD NOT** attend school**
 - Fever
 - Diarrhea
 - Vomiting
 - Cold*

WELCOME "LITTLE LAMBS"

OUR T/TH 3 YEAR OLD CLASS

Learning through play all throughout our day!

- **For many children, the CDCA 3 year old class is their first exposure to a school setting. Oh, there is so much to learn!** Therefore, much of our focus will be on learning how to follow classroom expectations & routines, take turns, navigate social interactions, and develop self-help skills. Our teaching of academic subjects (letters, numbers, colors, shapes) and fine motor skills (pencil work and scissors) will look more like play than work. There is a method to our madness... **CHILDREN LEARN BEST THROUGH PLAY!** And playing is a great way to spark curiosity and a love of learning.
- **Our Chapel Time is called "Wee Wisdom"**
 - This is the time of our day that is set aside to learn about God's plan for our amazing world, how much He loves us, and how He wants us to love others.
- **Every month the students will receive two Scholastic Readers.** These are a fun way to introduce and reinforce beginning concepts (numbers, letters, shapes) as well as social skills. We may use these at school or send them home for you to explore with your child.

CDCA IS GOD'S SCHOOL

ALWAYS HAS BEEN, ALWAYS WILL BE

CDCA has been rooted in the Gospel from the moment God planted the idea into the hearts of JaNette & Lloyd Flogstad 50 years ago... we wouldn't have it any other way.

We are so blessed to have the opportunity to share God's love with these little ones.

Thank you for sharing your children with us.

WELCOME TO THE CHRISTIAN DAY FAMILY

FREQUENTLY ASKED QUESTION'S

I am afraid my child will experience separation-anxiety... New experiences and new people can sometimes cause children to cling to what they find familiar...YOU. Thankfully, our staff have a few “tools in their toolboxes” to help with just that! We are prepared to provide extra love, support, and even an additional lap or two, to help your child transition into preschool.

Can my child bring in a favorite toy / blanket from home to help comfort them? Sadly, the answer is **no**. in order to protect the health and safety our students, families, and staff, we will not be allowing students to bring toys / lovies from home. **Thank you for your cooperation.**

What if my child wants me to walk them down to the classroom? In this situation, we ask that you “love them up” and confidently send them on their way! All students will be escorted to and from our classroom by teachers.

What is a “combined classroom” and how does it work? A “combined classroom” simply means that there are two different age groups learning and playing together. The children play, sing, exercise, and have snack as a group but the curriculum activities and Chapel Times are separate. We find that this is a wonderful way to encourage leadership skills in the older children, An added bonus - with more teachers in the classroom it is easier for students to find someone they can make a special connection with. :)

MORE... FREQUENTLY ASKED QUESTION'S

Can I volunteer to help with the class parties? We love having parent volunteers at CDCA! Our ability to have volunteers in the classroom will depend on current COVID guidelines. When opportunities to welcome volunteers arise, we will let you know. :)

Will there be a visit from Firefighter Jay and the other community helpers this fall? Good Question... If we can schedule an outside visit with these “superheroes” we certainly will!

My child has a summer birthday, will they still be able to celebrate at school? Yes! Every child, regardless of what month their birthday falls in, will have the opportunity to celebrate their birthday at school. :) Birthdays that occur while school is not in session may be celebrated in an adjoining month (for example: August birthdays being celebrated in September) or as a “half-birthday”. Our Pre-K 5 students always celebrate their “half-birthday.” If you have questions please speak with Mrs. Sadowski, our birthday coordinator.

What about Fall Conferences? Will you still have them? Fall Conferences will be held over the telephone. A sign-up sheet will become available in November.

Is CDCA a non-profit? YES, our school is a 501(3) C non-profit organization. Donations are accepted and a tax-deductible receipt is provided upon request. Thrivent members can chose to direct their Choice Dollars to our school.

“I will bless the LORD at all times: His praise shall continually be in my mouth. My soul shall make her boast in the LORD; the humble shall hear of it, and be glad. Oh, magnify the Lord with me, and let us exalt His name together. I sought the LORD and He heard me and delivered me from all my fears.” Psalm 34:1-4
