Dear Parents,

Welcome to Christian Day Child Academy! We have had a wonderful start to our school year!

This first month we will be helping the children adjust to the routine of school. We will be working on learning the colors red and blue, the circle, the numbers 1 and 2, the letters A, B, & C, and name recognition. We will be learning about seasons, leaves and apples. The Bible will be introduced and the children will learn that God created our world. Sometime this month we will be practicing a fire, tornado and safety drill.

Please call or email the school if your child will be absent. Remember to label jackets and back packs. Thank you!
