Dear Parents,

Our curriculum goals for this month include a review of shapes, the number 7, the letters S, T, U & V and learning about George Washington & Abraham Lincoln. We will also continue learning about various occupations.

On Valentine party day your child may bring valentines for his/her classmates (optional). It is not necessary to address the cards but your child can sign his/her name on each card. There are 24 students in our class.

For school closings due to weather, please check your email and/or the school website at www.christiandayacademy.com. If you are concerned about weather conditions during our school day, please feel free to pick up your student early. Call the school and we will bring your student up to the dismissal area.
