Bible Memory Verses

**God said, “Let Us make man in Our image.” Gen. 1:26
“Children, obey your parents... and honor your father and mother.”
Ephesians 6:1 & 2**

Dear Parents,

Our curriculum goal for this month in science will be learning about God’s beautiful autumn world and in social studies talking about friendship. We will work on cutting skills, name printing and the number 3. We would encourage you to help your child work on printing his/her name and practice cutting skills at home. The children are learning the pledge of allegiance and say it each day at group time. We will work on the October Bible memory verses listed above.

- Week of Oct. 4 - Letter D
- Oct. 6– Library Day (every Wednesday)
- Week of Oct. 11 – Letter E
- Week of Oct. 18 – Letter F

Please dress your child for outside play and LABEL backpacks/coats/mittens. Also, please help your child practice at home putting on his/her coat independently. We are off to a wonderful start to the school year. To God be the glory!
