Dear Parents,

We are already approaching the holiday season of Thanksgiving! We are looking forward to phone conferences with you on November 12th.

This month is a busy one! We will learn about the first Thanksgiving and have our own Thanksgiving feast at school. During our "Living Word Friendship" time we are learning the "Bee Attitudes" - how Jesus wants us to live our lives and "The Christmas Story" from Luke 2: 8- 14 in the Bible. A copy of the Christmas story is going home with each student.
